******Please drop off registration form at the Volleydome Attention:
BURN'Z Beach Volleyball**

This group is designed for experienced club players or those with some beach experience from last year (born in 02-03-04). Players in this group should be planning to play in AVA tournaments and go to Alberta Provincials at the start of August and possibly nationals at the end of the summer. This program will teach the basic skills, rules, and game, with progression to higher intensity from the start of the season until the end. Great program for kids.

If you have any questions please email Ana or Steve 403-620-7103
